

**Safety Practices for In Person Worship
at the La Selva Beach Community Church
as of September 2021**

A recorded prelude begins at 10:00am

Worship begins at 10:15am

1. We strongly encourage vaccination, understanding that all do not have this option for health reasons.
2. Masks at this time are required inside the building; masks outside in the courtyard are a personal choice.
3. Within the sanctuary, one side of pews will provide socially distanced seating; the other side will be open seating.
4. Windows will be open—please bring a wrap or jacket.
5. Music will be pre-recorded; at a later time, not yet determined, our Music Director David Larstein will be in the sanctuary for a live prelude and postlude.
6. Hymnals have been removed; readings and the words to songs will be on the two large flat screens at the front of the sanctuary.
7. Passing the Peace will be socially distanced.
8. After worship, and after any sharing in the pews, we encourage you to gather in the courtyard for further conversation, rather than at the back of the sanctuary.
9. To protect others and yourselves, please do not attend in person if you are not feeling well, have a fever, cough, or new symptoms of Covid-19. Be sensitive to evaluating your own health situation and the needs of others.
